

A9X CYBER DETECTIVE SOFTWARE-MANAGING AND PROTECTING YOUR IT SYSTEMS

info@a9x.com or sales@a9x.com

JANUARY 2021

ARE YOUR VESSELS ON TARGET TO MEET...

International Maritime Organization (IMO) resolution MSC.428(98) on Cyber Security Risk Management in Safety Management Systems.

- Auditing & Monitoring
- Customized Solutions & Reports
- Security Testing
- Malware Protection
- Intrusion Detection
- Remote Configuration

“ I believe your software product will be very useful in meeting these requirements (IMO) by allowing secure routine remote monitoring and maintenance of vessel’s IT systems.” Managing Director Ship Management Company
